

Anti-bullying Policy (including Cyberbullying)

Introduction

The dignity of the human person is the foundation of all Catholic social teaching and is intrinsic to our education ministry. Consequently, the principle that the person is made in the image and likeness of God is central to the mission of our parish school.

This policy identifies the interconnectedness of the characteristics of quality Catholic learning and teaching. It is intended to value, respect and promote the self-esteem and dignity of each student. The school will actively promote anti-bullying messages, alerting students and staff of the need to be vigilant.

It is essential that we create and maintain a respectful, safe and supportive learning environment that promotes student wellbeing, personal growth and positive self-esteem amongst our diverse range of learners ([eXcel: Wellbeing for learning in Catholic school communities](#)).

The prevention of and responses to incidents of bullying, inappropriate use of technology and disrespectful behaviour are more readily achieved in a caring and supportive school culture that promotes positive relationships and reflects Gospel values. Bullying, cyber-bullying, harassment, aggression and violence disregard core values of our faith, including dignity, respect, justice, equity, compassion, trust and courage. Importantly, such actions can adversely affect the wellbeing of our students and are therefore unacceptable.

St Anthony's Primary School has a zero-tolerance approach to bullying, harassment and violence. Any acts or alleged acts of bullying, harassment or violence will be investigated seriously.

Purpose

This policy:

- encourages a culture that is firm about unacceptable behaviour
- articulates how bullying is defined and addressed; including the means taken to prevent incidents and the response taken when an incident occurs
- supports the school's Mission and Vision Statement and guidelines of Melbourne Archdiocese Catholic Schools (MACS)
- actively promotes anti-bullying messages, alerting students and staff of the need to be vigilant.

Principles

This policy is grounded in the beliefs that:

- every person has the right to be treated respectfully and feel safe from any form of verbal, physical and emotional abuse
- the school is committed to building and nurturing a community that values diversity
- parents are the prime educators of their children
- the school community is involved in the development of school policies
- reporting of unacceptable behaviour is essential to the effective implementation of this policy
- complainant(s) will be protected from victimisation
- learning technologies are used ethically and responsibly in the school environment
- communication is respectful and human dignity is valued
- regular monitoring of school policies is necessary.

Definitions

Bullying: is repeated unreasonable behaviour directed towards a person that creates a risk to health and safety. It occurs when an individual or a group deliberately upsets or hurts another person, their property, reputation or social acceptance on more than one occasion. Forms of bullying include:

Physical bullying: pushing, shoving, fighting, pinching and any other unwelcome physical contact used intentionally to intimidate or hurt someone.

Verbal bullying: put downs, particularly those referring to physical characteristics, can result in loss of self-esteem. Racial discrimination of any kind is a form of bullying.

Gesture bullying: non-verbal signals used to silence and intimidate a victim.

Extortion bullying: physically stronger and more powerful students may bully other students into giving up their possessions, buying food and drink, or taking part in rule breaking activities.

Exclusion bullying: deliberately being left out of activities is a most hurtful form of bullying.

Visual bullying: offensive notes or material, graffiti, or damaging other people's possessions.

Sexual bullying: touching, sexually orientated jokes, drawings of, or writing about someone's body, using rude names or commenting about someone's morals, unwanted invitations of a sexual nature, asking questions about someone's private life.

Cyber-bullying: the use of various forms of electronic media to spread text and visual messages to cause hurt, embarrassment, intimidation.

Categories of Bullying: There are three broad categories of bullying:

- 1. Direct physical bullying:** This form includes hitting, tripping, and pushing or damaging property.
- 2. Direct verbal bullying:** This form includes name calling, insults, homophobic or racist remarks, or verbal abuse.
- 3. Indirect bullying:** This form of bullying is harder to recognise and often carried out behind the bullied person's back. It is designed to harm someone's social reputation and/or cause humiliation. Indirect bullying includes:
 - lying and spreading rumours
 - playing nasty jokes to embarrass and humiliate
 - mimicking
 - encouraging others to socially exclude someone
 - damaging someone's social reputation and social acceptance
 - cyber-bullying, which involves the use of email, text messages or chat rooms to humiliate and distress someone.

Discrimination: direct or indirect discrimination based on an attribute such as age, gender, disability, race etc.

Harassment: the unwelcomed and unlawful conduct that demeans, insults, and offends someone.

Sexual Harassment: making unwelcomed sexual advances, or an unwelcomed request for sexual favours to another person.

Violence: behaviours involving physical force intended to hurt, damage, or kill someone or something.

What Bullying is Not

Many distressing behaviours are not examples of bullying, even though they are unpleasant and often require teacher intervention and management. There are three socially unpleasant situations that are often confused with bullying including:

- **Mutual conflict:** In mutual conflict situations, there is an argument or disagreement between students but not an imbalance of power. Both parties are upset and usually both want a resolution to the problem. However, unresolved mutual conflict sometimes develops into a bullying situation, with one person becoming targeted repeatedly for 'retaliation' in a one-sided way.
- **Social rejection or dislike:** Unless the social rejection is directed towards someone specifically and involves deliberate and repeated attempts to cause distress, exclude or create dislike by others, it is not bullying.
- **Single-episode acts:** Single episodes of nastiness or physical aggression are not the same as bullying. If a student is verbally abused or pushed on one occasion they are not being bullied. Nastiness or physical aggression that is directed towards many different students is not the same as bullying.

Procedures

Bullying can affect everyone and is linked to many negative outcomes including impacts on mental health, substance use and suicide. Children who are bullied can experience negative physical, social, emotional, academic, and mental health issues. Children that bullying others are also at risk, potentially engaging in violent and risky behaviours.

Incident Response

Bullying complaints will be taken seriously and responded to sensitively.

Students who may be experiencing bullying behaviour, or students who have witnessed bullying behaviour, are encouraged to report their concern to school staff as soon as possible.

Our ability to effectively reduce and eliminate bullying behaviour is greatly affected by students and/or parents reporting concerning behaviour as soon as possible

We encourage students to speak to their classroom teacher, member of the Wellbeing Team, learning support officers or another trusted member of staff.

Parents or carers who develop concerns that their child is involved in, or has witnessed bullying behaviour at St Anthony's Primary School should contact the relevant Wellbeing Leader on 8099 7800.

All members of our school community must be aware of the possibility of bullying and take action to prevent bullying if it is reasonably foreseeable.

Responsibilities: The school

St Anthony's Primary School will respond to all reported incidents of bullying, perceived or actual, sensitively, fairly and promptly by:

- using an Anti-Bullying Response Pathway when we become aware of incidents. The Pathway assists with a regulated and thorough response (**refer to Appendix 1**)
- implementing an Anti-Bullying Action Plan as part of the Response Pathway (**refer to Appendix 2**)
- keeping a written record of any bullying investigation (**refer to Appendix 3**)
- encouraging students, staff and parent and carers to report bullying and cyber-bullying to the class teacher or directly to the principal

- investigating complaints of bullying and cyber-bullying in a manner that respects the dignity and privacy of those involved (**refer to Appendix 4**)
- nominating a person or staff to co-ordinate strategies for the resolution of specific bullying incidents reported in this school
- notifying parents/guardians of bullying incidents involving their children
- notifying the relevant Regional Learning Consultant of any serious incident
- contacting the Police/Police Youth Liaison Officer if the bullying situation has involved violence, threat of harm or alleged criminal conduct
- maintaining records of bullying incidents and related interventions
- conducting Student Safety Audits at least once a year to promote safe, inclusive and respectful learning environments
- promoting student voice and empowerment in classrooms and through the use of Student Representative Council to discuss matters associated with bullying, cyber bullying, safety and wellbeing
- reviewing and evaluating the school's anti-bullying policy and the responsible use of technology procedures to ensure they are working effectively
- engaging with parents/guardians to review and evaluate the school's anti-bullying policy and the responsible use of technology procedures to ensure they are working effectively.

Responsibilities: Staff

Staff at St Anthony's aim to treat all members of the school community with dignity and respect and build respectful relationships that respond effectively and sensitively to the needs of each student by:

- implementing the student anti-bullying and responsible use of technology procedures by responding promptly and appropriately to reported incidents of bullying
- supporting the student anti-bullying and responsible use of technology procedures through positive modelling and the promotion of appropriate behaviour
- engaging in professional learning to support appropriate anti-bullying responses which could include cyber safety, restorative justice practices, mediation and developing social skills in students. Such opportunities are made available to staff on the same basis as other professional learning.
- supporting all aspects of related school policies
- remaining vigilant in how students are using technology through positive modelling and the promotion of appropriate behaviour
- embedding critical thinking, values clarification, respectful relationships and developing empathy into our teaching practice
- responding to bullying and cyber-bullying concerns by providing age appropriate guidance and boundaries so that students can learn to self-regulate.

Responsibilities: Students

Students at St Anthony's have responsibilities to use technology appropriately and respectfully. The staff at St Anthony's will encourage and support students to:

- follow the anti-bullying and responsible use of technology procedures

- immediately seek help from a trusted adult if they are aware of or involved in a bullying or cyber-bullying incident
- seek support if bullied and refrain from retaliating in any bullying incident
- understand that any social networking site that identifies the school by name or image or implication is part of the school environment
- in age-appropriate circumstances the student should keep evidence of alleged bullying and produce it on request (for example phone text messages).

Responsibilities: Parents/Guardians

Parents/guardians at St Anthony's Primary School have responsibilities to use technology appropriately and respectfully. St Anthony's will work in partnership with parents/guardians in responding to incidents of bullying. Staff at St Anthony's will:

- remind parents/guardians about the need to reinforce the school messages in the proper use of technology to help children grow into ethical and responsible digital citizens
- encourage parents/guardians to report serious matters of out-of-school hours bullying and cyber-bullying to the Police or other appropriate authority (such as the Internet Service Provider) and, as relevant, to the school
- ask parents/guardians to contact the school immediately through the class teacher or directly through the principal if they know of any bullying incident
- expect that parents/guardians will model behaviour that is indicative of Gospel values and that reflect the school's Vision and Mission statement. Thus parents/guardians are required to act respectfully to all members of the school community at all times.
- encourage parents/guardians to report serious matters of out-of-school hours bullying and cyber-bullying to the Police or other appropriate authority (such as the Internet Service Provider). When such bullying concerns the wellbeing of their own child, parents are to contact the principal.

Investigations

When notified of alleged bullying behaviour, school staff are required to record details of the incident using the Bullying Record Keeping and Investigation Tool (Appendix 3).

The Leadership Team are responsible for investigating allegations of bullying in a timely and sensitive manner. This can include:

- a) speaking to those involved in the allegation, including victims and perpetrators.
- b) speaking to the parents of the students involved.
- c) speaking to the teachers or staff involved.
- d) take detailed notes of all discussions for future reference.
- e) obtain written statements from all or any of the above.

All communications with the Leadership Team in the course of investigating an allegation of bullying will be managed sensitively. Investigations will be completed as quickly as possible to allow for the behaviours to be addressed in a timely manner.

The objective of completing a thorough investigation into the circumstances of alleged bullying is to determine the nature of the conduct and the students involved. This understanding will inform staff about how to effectively implement an appropriate response to that behaviour.

Serious bullying, including serious cyberbullying, is a criminal offence and may be referred to Victoria Police. For more information, please refer to Brodie's Law.

Prevention of Bullying

St Anthony's Primary School has a number of strategies in place to build a positive and inclusive school environment. We strive to foster a school culture that prevents bullying behaviour by modelling and encouraging behaviour that demonstrates acceptance, kindness and respect.

At our school:

- We strive to build strong partnerships between the school and families to ensure we work together in provided a safe learning environment for students.
- The Wellbeing and Leadership Teams regularly consult with students, teachers and parents/carers to ensure that we are responsive to the student's social, emotional, cognitive and cultural needs.
- Teachers incorporate classroom management strategies that discourage bullying and promote positive behaviour.
- A range of incursions and programs are planned for each year to raise awareness about bullying and its impacts. This includes participating in Day for Daniel, Harmony Day and National Day of Action Against Bullying and Violence.
- We adopt a Restorative Practices approach to conflict resolution which is intended to move the focus away from punitive consequence. This seeks to value and support those involved so that they feel empowered to take positive action to address the situation and move forward.
- We teach students what constitutes bullying and how to respond to bullying behaviour assertively.
- Our eSmart Framework provides guidelines for schools to promote smart, safe and responsible use of technologies. eSmart aims to help teachers, students and the whole community embrace the benefits of technology and reduce exposure to cyber safe risks such as cyberbullying, identity theft, online predators and inappropriate images and content.

Intervention into Bullying

There are a number of factors that will be considered when determining the most appropriate response to the behaviour. Considerations will be given to:

- a) the age and maturity of students involved
- b) the severity and frequency of the bullying, and impact it has had on the target student
- c) whether the student engaging in the bullying behaviour has done so before
- d) whether the bullying took place one-on-one or in a group context
- e) whether the student is remorseful or insightful about their behaviour
- f) the alleged motive of the behaviour, including any element of provocation.

The Leadership Team may implement some or all of these responses to bullying behaviours:

- a) counselling to support the victim or perpetrator
- b) facilitate a Restorative Practice Meeting with some or all the students involved
- c) facilitate mediation to encourage students to take responsibility for their behaviour and explore underlying reasons for conflict or grievance
- d) implement a Behaviour Management Plan
- e) restrict contact between the victim and perpetrator
- f) provide discussion or mentoring for different social and emotional learning competencies
- g) monitor student behaviour over time or as necessary
- h) implement disciplinary consequences for the students engaging in the bullying behaviour such as, removal of privileges, suspension or expulsion.

This policy can be found on St Anthony's Primary School Website. Each family receives a copy of this policy upon confirmation of enrolment at the school. This policy will be reviewed as part of the school's four-yearly review cycle. Parents and students will be invited to be a part of the review process.

Step 1

Identify Concerns

Is the student distressed?

A student may feel distressed by events including cyberbullying, sexting, exposure to pornographic images or a breach of the school's Bully Prevention Policy or Student Engagement Policy.

Has a student been exposed to inappropriate behaviour?

A student may have been exposed to and affected by inappropriate behaviour online. This may put them at risk of suffering significant physical, psychological or emotional harm. They may be in need of immediate protection.

Has a student engaged in inappropriate behaviour affecting ANOTHER student?

A student may have engaged in inappropriate behaviour online that may cause psychological or emotion harm to ANOTHER student(s). All students may be in need of immediate protection.

Has a student engaged in inappropriate behaviour affecting THEMSELVES?

A student may have engaged in inappropriate behaviour online that could be psychologically and/or emotionally damaging to THEMSELVES (e.g. sexting). They may be in need of immediate protection.

Has the student engaged in CRIMINAL behaviour?

A student may have engaged in inappropriate behaviour online that could be deemed as CRIMINAL activity.

*Please note: an incident of concern may include one or more of the above.

Step 2

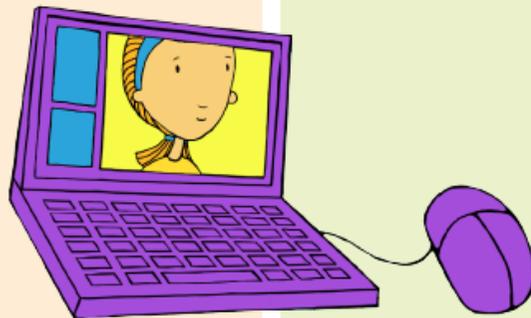

Take Action

Ensure the student is safe

If you suspect or have identified an incident of concern, it is important to first make sure the student/s are in a safe environment.

Further inquire into the incident

Inquire into the inappropriate incident. This may include discussions with all staff and students who have been directly or indirectly involved in the incident and/or its effects.

Step 3

Contact the Appropriate Supports

Leadership team

If your inquiry leads you to believe that a concern is real, but it is NOT CRIMINAL then immediately advise and/or consult a member of the school's leadership team to report the incident and plan the appropriate response and support.

The Victoria Police

If your inquiry leads you to believe that a CRIMINAL offence may have occurred, contact the Police.

In such cases seek advice about contacting the parents of all students involved in the incident.

If a school is unsure whether an incident should be reported, the Police will advise the school as to whether they will investigate or whether the school should handle the situation.

Security Services Unit

All reportable incidents should be reported to Security Services Unit. If a school is unsure whether an incident is criminal or not they can also contact the Security Services Unit. This will alert regional staff.
Phone: (03) 9589 6266

Step 4

Respond and Provide Support

Support all involved people

Provide reasonable and ongoing wellbeing support to all students and staff who were involved in or witness to the incident.

Refer to the School's Policy

In responding to online incidents of inappropriate behaviour, Principals and teachers should refer to their **Bullying Prevention and/or Student Engagement Policy** and follow the appropriate processes and procedures.

Each Victorian government school has developed a **Bullying Prevention and/or Student Engagement Policy** that sets out the rights, responsibilities and shared expectations of everyone in the school community, including students, parents, teachers and school staff. The policy clearly defines the consequences for students who behave inappropriately. (online and offline)

Work with Leadership Team

Work closely with your school's **Leadership and/or Student Wellbeing Team** to discuss strategies that can be used to respond to and support ALL students at risk from the inappropriate behaviour. This may include counselling and support or the development of a **Behaviour Support Plan** to implement targeted strategies.

Keep a record of the **Behaviour Support Plan**, make notes on any relevant observations, and review it as necessary.

For more information, visit **Behaviour Support Plans:**

www.education.vic.gov.au/about/programs/bullystoppers/Pages/teachplans.aspx.

Contact Parents

Where appropriate, contact the parents of all students involved. If a school is unsure whether parents should be contacted, the **Department's Legal Division or Security Services Unit** can assist to make a decision.

Consult Regional Staff

Contact your student wellbeing or Community Liason Officers in your Regional Office for support.
