

# Uniform Policy

## Rationale:

Catholic schools have a long tradition of school uniforms as an important dimension of school life. School uniforms provide a strong sense of identity and contribute to inclusiveness and equity in schools. It is a significant expectation at St Anthony's Primary School that all students will wear the correct uniform, and are supported by their parents/carers.

The uniform reflects the school community standards and expectations as well as assisting the school community to:

- Promote a sense of inclusiveness, non-discrimination and equity – students are known for who they are and what they do, not what they wear
- Foster the ethos of Catholic schools where all people are treated equally regardless of financial circumstances
- Recognise its student members
- Define the identity of the school within its broader community
- Promote school spirit
- Foster the school as an ordered and safe environment, where students gain an increasing appreciation of positive personal presentation
- Eliminate the risk of peer pressure to wear clothes which might be inappropriate, transitory items of fashion and/or expensive in nature
- Provide some quality control over the durability of clothing items.

The continued development of a positive school culture is an activity that must be carried out by each and every member of the school community each day. While school uniform is but a part of the overall positive school culture at St Anthony's, it is a highly visible and symbolically important factor. Thus students, parents and staff must share responsibility for student compliance with good standards of school uniform.

## Procedure and Application of School Uniform Policy

The whole school community has a role to play in encouraging the wearing of our school's uniform. We ask parents and carers to support this procedure and ensure students are appropriately dressed to participate in school activities. Students will be asked for a note of explanation from parents/carers if they arrive at school not in uniform.

- St Anthony's Uniform Policy will be given out to the parents each year and readily available on our internet page.
- Reminders of the policy throughout the year will be provided in our school newsletter, through community chats and Operoo notifications.
- St Anthony's Uniform Policy will be explained and given to new parents.

### Steps in place for students not wearing correct uniform.

- Parents are to notify school if their child is out of uniform at the commencement of the school day by emailing your child's teacher or sending a handwritten note.
- Classroom teachers will give verbal reminders to children and specifically to children out of uniform without explanation from their parents.
- After a verbal reminder from a teacher, students who continue to be out of school uniform will have a notification sent home via Operoo to their parents or carers which they will be required to sign. This can happen twice in the School Calendar year.
- Parents or Carers of students who continue to be out of uniform will be contacted by a Deputy Principal to discuss the specific circumstances
- Students who are consistently out of uniform will be required to attend a meeting with the Principal to discuss a solution that meets the expectations of the school community. The student's parents or carers will be invited to attend the meeting;
- A process of conflict resolution or mediation will be implemented if student persistently wears inappropriate dress after discussions have been held with parents or carers.
- Students may not be able to participate in extra-curricular or school activities which are not part of the regular educational program, e.g. excursions, incursions, sports days. Students will not be prevented from participating in curriculum activities, except where necessary for safety reasons. In this instance alternative educational activities will be provided.
- Student's access to areas of the school such as the playground may be restricted; For example, if a student doesn't have a hat they may be required to sit in shaded areas.
